

Wembrook Primary School Walk4Life

Pupils at Wembrook Primary School have been walking a new Walk4Life Mile recently launched in Nuneaton.

The Mile, in Riversley Park, is waymarked with Walk4Life stickers and every class in the school will be testing it out. By the end of November the whole school will have walked the Mile.

Louise Gardner, Community Walking Coordinator at the Nuneaton and Bedworth Leisure Trust told us “The kids and teachers both enjoyed getting out for some fresh air during the school day. The year 5’s also played ‘count how many stickers’ there are on the route which kept them entertained! All the pupils have received a ‘I’ve walked a mile’ sticker too, which have gone down well!”
